## Part 1. Applicant/Owner Information

**SUBMIT BY DECEMBER 1, 2020**

Easy online application at [www.hampton.gov/RAINgrant](http://www.hampton.gov/RAINgrant)

I, \_\_\_\_\_ (PRINT) \_\_\_\_\_ (DATE) resolve to become a Resilient And Innovative Neighbor (RAIN) and hereby make application to the City of Hampton for a grant to assist with the cost of materials selected in Part 2 "RAIN Actions" of this application and as approved in Part 3 and in accordance with the RAIN Landowner Agreement and RAIN Homeowner's Guide.

If selected for funding, in appreciation for my role as a Resilient And Innovative Neighbor, the City of Hampton will reimburse up to \$1,000 (for materials only), for the selected RAIN Action(s) as approved in Part 3. Reimbursement is subject to the City's written approval of the grant, submittal of all receipts for qualifying purchases, submittal of an IRS W-9 form, and an installation inspection approved by the City. Only one grant may be awarded per property per application round.

Applicant Mailing Address:	Phone:
Address of RAIN Action (if different from mailing address):	Email:
Applicant Print & Signature:	
Address of Landowner (if different from applicant):	Landowner Phone:
Landowner Print & Signature (if different from applicant):	Landowner Email:

**Please note:** Current use of the property must be a single family residence; vacant lots not eligible. Submission of an application neither guarantees nor indicates approval by the City of the RAIN grant unless and until a grant agreement is fully executed by the City and awardee. Work completed prior to official written approval is not eligible for reimbursement. Once official written approval of this agreement is received, installation and request for inspection must occur prior to December 1, 2020. Reimbursement payments shall not exceed the cost approved in the application, which shall be \$1000 or less. Installation of the RAIN Action(s) must be completed and inspected per the outlined steps prior to reimbursement being issued to applicant.

Completed Part 1 and Part 2 may be emailed to [Resilient@Hampton.gov](mailto:Resilient@Hampton.gov).

Or mail to:  
RAIN, CDD, 5<sup>th</sup> floor  
22 Lincoln Street  
Hampton, Virginia 23669

## Part 2. RAIN Actions

For more information on the RAIN Actions that will help reduce flooding, clean up waterways, and protect downstream neighbors while improving neighborhood aesthetics, check out the **RAIN Homeowner's Guide** and then:

1. **Select** actions in column (A) from the rows below by placing a number in column (B);
2. **List** the native tree and plant species or paver material to be used (D);
3. **Multiply** the number you will install (B) by the max amount reimbursed (E) for total request (F);
4. **Attach** a "before" photo of each area of your yard where you intend to install actions.

(A) RAIN Actions  Per RAIN Homeowner's Guide	(B) Number of units I will install	(C) What is a unit? Minimum size when installed	(D) List each native tree or plant species, permeable paver material	(E) Maximum amount reimbursed per unit	(F) Total request (multiply B & E)	Part 3: (Official Use Only) Total award for installation
<b>Native Canopy Tree:</b> matures to 35' or taller		1 1/2" to 2" caliper @ 6' tall		\$30	\$	
<b>Native Small Tree:</b> matures to a height of 12' to 35'		3/4" to 1 1/2" caliper @ 6' tall		\$15	\$	
<b>Rain Barrel:</b> capture rain from a downspout		55 gallons	N/A	\$70	\$	
<b>Rain Garden:</b> replace an area of lawn with a garden designed to capture rain		25 square feet		\$300	\$	
<b>Permeable Paver system:</b> replace existing driveway, walkway, patio, etc. with pavers to allow rain to absorb into the ground		50 square feet		\$1000	\$	
<b>\$ total requested for reimbursement (up to \$1,000 max reimbursable by the RAIN grant)</b>					<b>\$</b>	

## Part 3. Approval (Official Use Only)

City Official Print:	<b>\$ Total (max \$1,000) award approved for installation</b> (actual reimbursement may be less upon final review)	\$
City Official Sign:		
Date:	Notes:
