**Summary:**

July 1, 2012 at 12:28 a.m., a Hampton Police Officer was in the 100 Block of West Pembroke Avenue when a disorderly subject, that was in the roadway, struck his patrol car with a baseball bat. Immediately thereafter, a second Hampton Police Officer arrived on scene, at which time they confronted the individual. The officers gave the suspect, Bryant Michael Weiford, a 26-year-old Hampton man with a last known address in the 400 block of Old Buckroe Road, verbal commands to drop the weapon. However, the suspect charged towards the officers still armed with the baseball bat. It was at that time that both officers discharged their firearms striking the suspect. At 12:33 a.m., the suspect was pronounced deceased at the scene. Officers later discovered that prior to their arrival the suspect had also struck several other citizen's vehicles with the baseball bat.
