- Missing Pieces
- Wrap Up

Draft Vision Statement

Steering Group Members chose a final vision statement from the ones creating last meeting, after discussion and editing.

Hampton is the leader in innovative, collaborative, and effective governance.

After a recap of last meeting's goal-setting, Steering Group Members were asked to take the vision statement, and identify 2-3 issues under each goal that they think need to be changed or improved to achieve that vision.

Core Areas of Focus (Buckets/Trash toters)

- Clean, safe & beautiful
 - >clean & safe
 - >beautification
- Innovation
 - >technology
 - >innovation
- Relationships
