FILING PROCEDURES

WHAT IS A REZONING?

A rezoning is an amendment to the zoning map which changes the zoning district applied to a site or area to another zoning district. A zoning district is an area or areas for which regulations and requirements governing the use of land, density, bulk, height, and coverage of buildings and other structures are uniform. A rezoning may or may not have proffers attached.

WHAT IS A PROFFER?

The voluntary attachment of special conditions, known as "proffers," to a rezoning that addresses items which are not spelled out in the text of the zoning chapter or otherwise required by code.

City Council reviews each application and decides whether to deny, approve, or approve with proffered conditions. City Council's decision is based upon factors such as the recommendation by Planning Staff, the recommendation by Planning Commission, and consistency with the *Hampton Community Plan* (2006, as amended).

SUBMITTAL PROCEDURE

It is recommended that the applicant discuss the proposed application with staff of the Community Development Department's Planning Division prior to submission of an application to review plans, ordinances, and other land use issues that may be involved. Submittal of the application occurs at the Planning Division's office listed below:

City of Hampton
Community Development Department, Planning Division
City Hall
22 Lincoln Street, 5th Floor
Hampton, VA 23669
Phone 757-727-6140, Fax 757-728-2449

SCHEDULING

The amount of time necessary to complete the staff review is variable depending on the complexity of the rezoning application and the accuracy of the submitted material. Once staff has reviewed submitted materials and the application has been deemed complete, it shall be scheduled for a public hearing with Planning Commission. If the application is not deemed complete by the Planning Division Manager it shall be returned to the applicant within 30 days of receipt of the application with a statement of the reasons for deficiency.

DEFERRAL OF APPLICATIONS

Applicants may request deferral of an application in writing if more time is needed to prepare for the scheduled public hearing. If the deferral request is made prior to the publication of the notice of public hearing for Planning Commission the request may be granted administratively.

After advertisement in the *Daily Press*, conditional rezoning applications may be deferred by Planning Commission or City Council, with the concurrence of the applicant, solely for the purpose of revising proffers. Revised proffers must be submitted no less than thirty (30) days prior to the scheduled Planning Commission public hearing and no less than (10) days prior to the scheduled City Council public hearing. Instances where the written proffer statement provides for cash contribution, dedication of real property or payment for or construction of public improvements may be required to resubmit forty-five (45) days before the public hearing to allow for adequate staff review, as determined by the Planning Division Manager.

Applications deferred after advertisement for public hearing will be assessed an additional fee of three hundred dollars (\$300), paid by the applicant, for re-advertisement.

WITHDRAWAL OF APPLICATIONS

Applicants may request withdrawal of an application in writing prior to the notice of public hearing for Planning Commission. If City Council finds that there is public benefit to be gained by modifying a rezoning application and that significant public inconvenience would not result from consideration within one (1) year of the modified application, it may allow withdrawal during the public hearing.

Supplements to this application (depending on the type of request) and additional materials may be required at the discretion of the Planning Division Manager.

- Notes:**
1. A boilerplate proffer statement form is available to applicants from the Planning Division
 2. It is important that the required application materials be as clear as possible in the description and presentation of the proposal, as the materials will be forwarded to Planning Commission and City Council for their review.

PROFFER STATEMENT

All proffers shall be in writing, prepared by the owner of the property or an attorney and must be signed by all property owners and contract purchasers, if applicable. The city attorney may require additional signatures if necessary and will determine whether or not the proffer statement is legally sufficient. Within thirty (30) days after receipt of the proffers the Planning Division Manager will notify the applicant of any deficiencies in the proffer statement or if any additional information is needed. The applicant may make changes to the written proffer statement provided it is submitted at least thirty (30) prior to Planning Commission public hearing or ten (10) days prior to City Council public hearing.

REVIEW PROCESS

Following receipt of an application, an initial review is conducted to ensure that all required information has been submitted. If deemed complete, it is accepted as a formal application and internal review begins. Staff will work with the applicant on issues that arise during internal review and on proposed conditions to be included in the Planning Division's staff report to Planning Commission and City Council.

NOTICE & POSTING

Notices of Planning Commission and City Council public hearings are advertised in the *Daily Press*. Notices are also mailed to nearby property owners.

Note: Applicants are strongly encouraged to organize a community meeting to discuss the proposal with area civic associations, property owners and residents prior to the Planning Commission's public hearing.

PLANNING COMMISSION RECOMMENDATION

Planning staff will make a presentation to Planning Commission summarizing the application and staff's recommendation. The applicant and any citizens interested in the application are given time to speak. Planning Commission will evaluate the application based on the merits of the rezoning, considering the need that gave rise to the rezoning request, consistency with the Land Use Plan, the potential impacts of the proposal on the neighboring properties, and any relevant recommendations or policies in the adopted Comprehensive and Master Plan. Planning Commission may recommend acceptance of all, acceptance of some and rejection of some, or rejection of all of the proffers. Planning Commission may defer action to a later date, with the concurrence of the applicant, for the purpose of revision to the proffer statement.

Note: City Council shall not approve any request until all delinquent real estate taxes owed to the City of Hampton on the subject property are duly paid and up to date.

CITY COUNCIL PUBLIC HEARING

Following Planning Commission's hearing, the item will be forwarded to City Council for a public hearing, usually in the month following Planning Commission. Planning staff may make a presentation to City Council summarizing the application and the recommendations. The applicant and any citizens interested in the application are given time to speak. City Council may approve or deny the application and may accept all, accept some and reject some, or reject all of the proffers. City Council may also accept a modified proffer condition during the public hearing provided the proffer does not affect the use or density of the proposal. Approval requires an affirmative vote from the majority of members present and voting.

- First Thursday of every month at 3:30 PM
- Held in City Hall, Council Chambers, 22 Lincoln Street, 8th Floor

RECORDATION OF PROFFER

If approved by City Council, the city attorney has ten (10) days to determine whether any change of interest has occurred on the property since the date of the title certificate. If not, the proffer will be submitted to the Clerk of the Circuit Court to be recorded. If the city attorney has determined a change of interest has occurred, the applicant will have sixty (60) days to appeal to City Council; otherwise the approval of the rezoning will be rescinded. After a rezoning has been approved by City Council and recorded by the Clerk of the Circuit Court, the proffers may not be amended except through a new rezoning application.
